CORONATION XL WEEK

President's Message

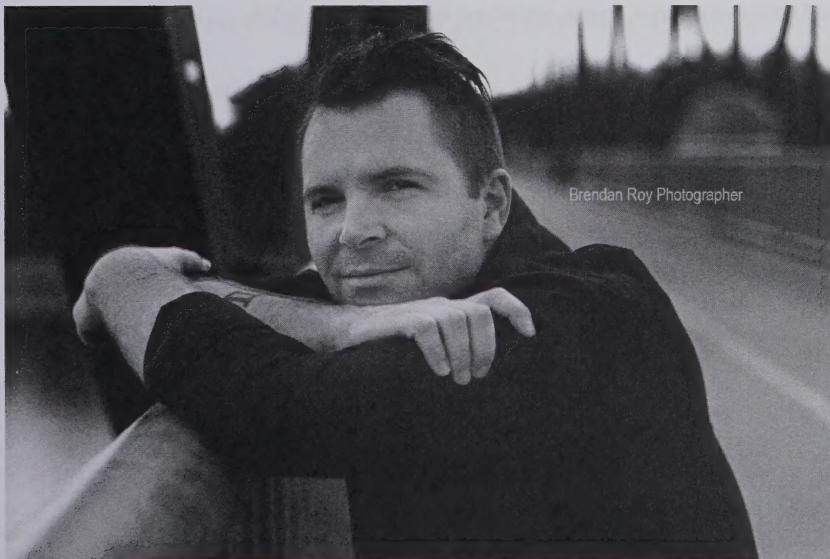

Welcome one and all to Coronation 41!

It was my honour and privilege to serve the ISCWR as President this reign. I am very excited to see the new blood that has become involved in our organization, and know that their new ideas and new energy will usher in an exciting new area for the group as it continues to evolve and to serve the community.

The generosity of our community never ceases to amaze me. Even in trying economic times, people always find extra to give.

This year saw performers aged 7-70, diverse genders and sexuality, differing levels of experience, but all with one thing in common: commitment to an organization which remains strong and viable even as it enters its forty-second year. There will always be challenges. There will always be disagreements. But there will also always be passion and fire and spirit – and that is what this game of court is all about: the drive to make our world better for everyone.

I remain in service

INVESTITURE!

The John DeSmit Citizen Of The Year Award

The Citizen of the Year Award is presented annually to a person who has contributed freely to making the gay community a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John DeSmit was a man at ease with life and who socialized freely with everyone around him. He loved having a good time and demanded nothing from those he encountered. He showed the unaware that gay people are worth caring about. He was himself cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

IN-TOWN EMPEROR 40½ BIG DADDY PUMP

Welcome to our 41st Annual Charity Ball and Coronation!!

First I would like to thank everyone for their support and encouragement throughout this past year.

Tonight we celebrate years of community service by the ISCWR and the 40th reign. Thank you Emperor Yeust Bobb for asking me to be your in-town half Emperor. For someone planning to take some time off this year, how could I say no to such a wonderful man? I hope I was able to support you and guide you through the struggles and achievements. I believed in you and the choices you made for your reign. It was great to travel to other coronations with you and observe you create friendships with other courts, which I'm sure will last a life time because our friendship will be forever. I am very proud of you. To Empress Myra Maines, ICP's Davvid Drag-on and Carrie DuWay, and IGDs Trey LePark Trash and Christy Heely – be proud of the things you accomplished and reflect back on this past year and see how you have all grown from this experience. It's not easy to do what we do and you all worked to your strengths to make this year a success. Myra, I know one of your goals was to bring in new people into the court and get people involved. You and your team accomplished that goal and kudos to you.

Thank you for the honour of being your in-town half Emperor this year. I was proud to have served the 40th reign and to be included in the year. You have represented Edmonton far and wide and worked very hard. You should all be proud of your individual and group achievements. Thank you for your dedication to the ISCWR.

I would like to take this opportunity to wish the 41st reign all the very best as you continue the ISCWR tradition of giving back to the community. Remember I am just an email or phone call away.

Thank you one and all for joining Edmonton as we celebrate the close of our 40th reign of noble deeds in our Community. It is an honor and a pleasure to have you here as we acknowledge the hard work of Bobb and Myra and their amazing upper house.

Myra, there was no way of knowing 4 or 5 years ago what an amazing part of my life you would become but I would not change a single moment of it...Ok maybe one ;lol You have become one of my closest, dearest friends and over the past few years one of my biggest strengths and allies, both in court life but most of all in my personal life. There are so many moments I could not have made it through without one of our phone calls or long chats sitting in the car lol. There is no way to thank you but I hope I managed to repay some of those kindnesses this year. It has been an absolute pleasure and honor to serve as your In-Town Half this year. I could not be more proud of you and your team and what you have accomplished this year. Fundraising is a big enough challenge without a crappy economy to deal with, you have all done an amazing job and I am so proud.

I promised I wouldn't say this but the more I reflect the more it makes sense, " I told you so guuuurl, I told you so!"

ANNIVERSARY MONARCH, EMPEROR XL, JACQUE STRAPPE

Wow, what a year! And it went by so quickly! It seriously feels like I just stepped down a few weeks ago. Then again, looking back, a lot really has happened in the last 365 days.

I'd like to congratulate everyone who took part in making the 40th reign what it was. I know I may not have been around as much as some people might have liked, but the events I did attend, and the travel that I did do, it was very evident that the members of this year's Upper House, and all title holders, have been putting in the work needed to make this a great and memorable year. Congratulations to all of you.

Bobb, you are probably the shiniest Emperor we've had in a long time, and your positive attitude has been infectious. Keep smiling and all is good! **Myra**, when we worked together in Reign 38, I knew you'd be wearing the big crown someday, and you did it with grace. Well done. **Davvid**, your sense of professionalism and fun certainly added a lot this year. **Carrie**, Thank you for being you. Your kind words, both during last year's reign as well as this year's, were very touching. Thank you. **Trey**, YAAAAAS! ButchbutchbutchbutchFLOURISH! Seriously though I can see how much you've grown this year, you should be proud. **Christy**, as I've told you before, own what you bring to the table. You are an impressive person and you should be damned proud of your accomplishments this year, both personal and public.

To the members of my own Upper House from last year, much love to all of you. I hope that, after last year's reign, you all found the rest and rejuvenation that you needed after completing a year in service. I love each of you.

With love and respect, I remain,

HISM Emperor XXXIX of Edmonton and All of Northern Alberta,

DECade MONARCH, EMPEROR XXX, LLOYD BLUE-EM-ALL

Greetings monarchs, candidates and guests,

I would like to extend my congrats to the 40th upper house, ISCWR members and board for a successful year.

Its hard to believe that it has been ten years since I stepped down. So many things have changed and yet so much has stayed the same.

Please accept my apologies as I am unable to attend due to time constraints and deadlines with work. I would like to send my best wishes to everyone I have meet and befriended over the years. Friendships and fond memories created during my reign still remain close to my heart. In closing I trust the up coming year will be a success and enjoyable one.

I remain,

HISM Emperor XXX and XXXII

Lloyd Blue-em-all

DECade MONARCH, EMPRESS XXX, LEAH WAY

Ten years, it's truly remarkable that that ten years have passed so quickly. I believe that everyone we meet, we meet for a reason. We have encountered these specific people for a purpose. We have friends who remain, friends who come in our lives but soon depart and friends who just pass by our daily lives. Even if it is just a chance meeting at a Coronation ball, there is a reason sprinkled in our path that we may not even see at this moment in time.

These last ten years have been a chapter that was filled with many memories and now life lessons that will forever live with me. Sometimes we are welcomed by friendships that aren't meant to last forever, but are meant to teach us and help us grow on our beautiful journeys. Sometimes we have friendships that are just good for the soul and meant to be. Thank you to everyone who has been a friend now or at some point, for it is you who has helped shape the person I am today.

Life is mysterious and relationships are just another addition to our journey. Through the ups and the downs we must appreciate it, for it's all a part of who we are today. Not one of us goes through life experiencing perfection; in fact, the only way to uncover life's treasures is to experience them. I encourage all of you reading this message to experience your own dreams and the treasures that go with them but most of all value the friendships that are good for your soul and have the courage to let go of the ones that are not.

Special thanks to my life partner Doug for encouraging me to run for Empress XXX and for standing beside me these last 10 years.

I remain

HISM Empress XIV, XXX, XXXVI

Welcome to Coronation XLI. Let us reflect on what was 1996. Gay marriages were nonexistent, washrooms were segregated, and gay adoptions were unthinkable. We've come a long way and let's keep on course. I would like to acknowledge those that helped me through my reign, still with us or not, including the terrorsome trio TIT (Twiggy, Ida, Toots); Meringues (Horst, Daryl, Ron); Chatty Cathy; Jim Schafer; Dow Hicks and the staff of the Roost; to the boys of Northern Chaps; the Calgary Del Rocko family; Toronto's own Dawn Valley Parkway and Candace and Bitch Diva; Saskatchewan's courts especially Rae St Claire, Joanne Beeler, and Coco; Vancouver representatives the Waitresses, Judy Jive, and the remarkable Benoit. Least and also last, the 20th house of Edmonton, my emperor Mr Vera, Prince Jim Wilkinson, Princess Weena Luv and my 1/2 Isalorna Jackson Jones.

A new journey began for me only a few years ago but it was this year that I truly felt like I had direction. The ISCWR was this group of kind people that I would see from time to time when I first started to venture out in this diverse community. Always warm and welcoming they grew on me more and more. My drag career started because of one persistent man who has become a great friend. Rob Browatzke I so value your friendship and in particular the challenges you give me that help me grow. When Big Daddy asked me to perform at one of his shows to Fight the Fight Against Cancer I was thrilled and honoured and I believe this brought me closer to this amazing organization. Myra, thank you for believing in me this year. Bob, Carrie, Davvid, and Trey we became closer as the year went on and it had already started off really well! I knew I could count on any and all of you if ever I needed. Leah Way you got me my first encore and encouraged time and again and I am forever grateful. Ivanna you are my inspiration of grace and poise, thank you for your hard work this year. Kim your heart is in everything you do and it is contagious. I have had support from so many people this year it's overwhelming. Lastly though I thank my greatest love Christine for being there for me all year long to hold me up when I couldn't do it alone. Your kindness and wisdom are endless.

There are two words that one hears around the Court events that at first just sound 'nice' but didn't resonate with me. It is when you immerse yourself in this community and commit to making a difference with such amazing people that you really begin to understand and feel what these two simple words mean. I can say I am part of the ISCWR but now also say that I have a Court Family. That is the reward we are given when we come together. I am proud to have been your Duchess this year.

So.... Anyhow.....

Good Evening Ladies and Gentlemen, welcome to Coronation XLI!

Who can believe that 12 months has come and passed so quickly? When I took on this roll last year I had no idea what impact it would have on me. To be honest you can be told time and time again.. but its the experience that drives it home... like a bird dive bombing a grill on the highway (Ghostbird).

I have seen a lot of "well we made its and the like. This year has never felt like making it to this day was the goal. Its never felt as though we were just trying to get thru.. The entire journey to this day has been the reward for me. I am so so thankful to have gone thru all of this with 5 of my favourite people in the world. I truly love you all.

Christy:

There has never been a time where I have not admired your passion, generosity, and truly huge heart. You continue to inspire me. Plus you truly can go from tracksuit to tiara in 5 seconds! You have been a large support not only to me but the entire reign this year! I am honoured to have gotten to know you better.

Trey:

Well Kid, this year has seen a lot for us. A lot of growth and a lot of laughs. I have watched you grow not only as a performer but as a person. To the one who is my brother, the one who is as big of nerd as me, and has an even bigger heart, I say... YAAAAAS CINNA-MAN!

P.S. When you decide to change sides, Myra and I will probably be around to help;)

Davvid:

My Prince! My dashing and gracious partner this year. I wish I knew where to start.. OH! I KNOW! Chicago! We have certainly gotten closer since starting and Chicago helped a lot with that. You have always been there when needed and truly embodied what a prince is. You will always be my prince and now my friend<3

Bobb:

To My Emperor, My glimmering disco ball of a man. All I can say is, thank you! Thank you for you kind words, Thank you for your belief in us as your upper house.. and thank you for the laser eye surgery when you stood in the sunlight. My Emperor, your happy go lucky outlook is something we all should look to. Keep smiling, keep laughing.

Myra:

I don't even know where to start... You did it! And you did it with a can of sass (Insert preferred word). I Thank you from the bottom of my heart for taking me along for this ride. This year has been a wild ride and a life altering experience. Not only are you my sister-aunt-mamma-grandma-cousin-brother-neighbour.. You are my best friend and now my Empress. Hold your head high you dizzy bitch! You have made this year unforgettable. Be proud of what you have achieved! look back and don't think of what you didn't get to do.. but what you have done. And that.. is remain sober.. I mean... inspire more people than you could imagine!

This year has been such a wonderful experience, I have made great friendships and connections all over and strengthened relationships already made!)

Bull: My Papa, I can't even begin.. Road trips, and Fresh Cans, Pylons and Ghost-birds, Bruised eyeshadow collections and torturing unsuspecting travel companions, Lashburn and Findlater Pumpkin patches and Photo Museums. I am entirely better (Worse?) for knowing you. I cannot wait to see 41. I love you!

LJ: Grand Pappy, You were one of the first to take me in, Clean me up and sent me out more twisted and screwed up than before. I will thank you forever for changing my world. I love you, Mary.

Satan... Santana...Saltine: Okay whatever.. - You're alright.. Kidding! Beauty, Grace, Kindness, you have like.. one of these things... KIDDING! For real, I am so grateful to have you in my life. I am truly inspired by you. I hope time only brings us closer! Love you<3 **Ca-ke:** SHUTUPYERSTUPID. Flawless from head to toe! I'm so proud of you and also think your a bit crazy. Always know you have family in Edmonton.. Bring the dumpster fire if you must.

Nathan: Well Mister, What can I say, I thank you a million times for always being there for me. And I hope that I am given the chance to return the favor. I love you so much.

China: Put Those Damn tongs away, I'm trying to talk to you. Never could I have imagined meeting someone I would need to crouch to talk to. But Honestly, You consistently remind me of how much I hate goodbyes. Its never hard to see why you are such a loved person. You love truly, and fiercely. And I love you just the same.

Mitch: You are one of the kindest people I have ever met! Its evident not only in the people closest to you, but how you carry yourself. Thank you for always being so wonderful to me.<3 I only hope to be just as wonderful in return.

Kelsey: My Sistahl! I could never begin to list all of the ways I love you. I am so so so grateful to have had the chance to get to know you, not just this year. Your heart knows no limits<3

Tequila: My Mammal Without you , I would not be here. I thank you from the bottom of my heart for taking a chance on a short little weirdo and opening my world to drag.

I know you will rock it. To my Duchess **Christy Heely**, what a welcome surprise you were this year, I know we didn't know each other that well in the beginning but I am so glad we took the chance. You have been an amazing addition to this year, and I hope that this will be an experience you remember for a lifetime.

To my Prince, **Davvid Drag-on**, from my president the first time around to my prince, your drive and goals, and vision, were such a welcomed addition, I love the way you approach your performances, I am always on the edge of my seat waiting to see what you are going to do next. Can't wait to see what the future holds. To my Princess **Carrie Du'way** (The Coyote Blood Princess) Girl, I woke up with a Smurf in Regina, I got lash burn and I got something I need to find later, and it ain't ointment. Maybe Delaware has it. Most people will read this and be so confused. Yet our family will know every detail. I could not have asked for a better Princess, you were everything I needed this year. We are family by many a name and titles, but most important you are a true friend and sister. I don't know what I would have done without you. Whatever you decide to do next, know that you have my support, and my friendship unconditionally.

To my halves In Town : **Ivanna** You are everything that I aspire to be, I am so glad that you were willing to stand by me this year, from the very day I was crowned to everything you have done for this evening, there isn't enough time in the world for me to repay you, **Vanity** You have always been there for me. Through everything, the laughs the tears, the make up lessons. For everything you have done, thank you my friend/sister. If I was half the empress that you both are, I will consider myself lucky. Lots of Love. PS I think its time to go to Sunday brunch already. To my Canadian Half: **Iona Whipp** Girl of Beauty and Grace, We do have one of those friendships that we may not see each other all the time, but no matter how much times passes, we pick up where we left off, without missing a beat, I am so lucky to call you and Alex friends, To my US Half : **Mary Bess Bohall**, when I thought US half, you were the only person that came to mind. I knew that you would be there to listen. That's what I asked of you, and that's what you did. Thank you so much for our time in Vegas. I will cherish your friendship for years to come. I will miss you tonight.

I will never forget the words you shared with us at Victory Brunch when we stepped up. It's like you've done this before ;-)

To My Emperor **Yeust Bobb**, Well we did it. Who could have known what this year was going to be like. We both came into this ready to hit the ground running. Thank you for being you, thanks for always being so supportive. I hope I wasn't too much to deal with.

To my Chosen Family, **TJ**- Our time together as IGD's to the 38th Reign, will always be something I cherish. **Kari** - We totally need some Killer Bunny nights to make up for lost time.

To my Blood Family, Thank you all for being so understanding the last couple of years. I know you haven't always understood everything "in wonderland", but you have seen how much this all means to me and how much joy it does bring to my life.

To my Husbands, Well were 3 for 3 now. I was thinking we could take a break now. LOL, who am I kidding, we can't slow down, without it all life would be boring. The court has such a strong presence in our family. I don't think we'll ever be able to completely walk away. The court has tested us, and has broadened our "chosen family", whatever is next for us, I know we'll accomplish the goal together. I Love You!

His Most Imperial Sovereign Majesty, Emperor XL, Yeust Bobb

Good Evenings Ladies, Gentlemen Dignitaries' Fellow Monarchs' Family and Friend's THANK YOU ALL FOR COMING and helping us celebrate Reign 40 and Coronation 41.

I was extremely honored to have been elected by my peers and I truly hope I have met or exceeded your expectations.

Through my reign I have had the opportunity to travel and the honor of representing our wonderful court at 7 coronations.

Las Vegas—What can I say or should I say what happens in Vegas stays in Vegas. This was my first time out of Canada since 1996. To the Imperial Royal Sovereign Court of the Desert Empire thank you for making me so welcome. To James McBride I appreciate how you were my Chauffer and showed me the wonders of the Golden Corral [LOL]. To Jeff Park [Jeffylube XXXPress], Fred Udey and Lindsay, thank you for leading me astray.

San Diego—To the Imperial Court de San Diego California

Like the weather here in February I received a very a warm welcome from Emperor XLII Rob Rodd. I would also like to thank the court of New York for showing me around this beautiful city.

Calgary—To the Imperial Sovereign Court of the Chinook Arch, Social Association

When ever I attend your court you always make me feel like I am home and visiting my extended family.

Vancouver—To the Dogwood Monarchist Society.

This is the first time to your city and Coronation I appreciated the warm welcome then and on my second visit for Investiture. To Lorne Stelmach [BigDaddy Pump] thank you for showing me what going to church in Vancouver on a Sunday is like.

Surrey—To the Imperial Sovereign Court of the Empire of the Peace Arch

This was my 2nd time to your coronation and it was wonderful to catch up with friends I have met.

Halifax—To the Imperial Court of Atlantic Nova Society Inc.

This was the first time to the east coast and I was not disappointed. It was great to catch up with my out of town half Jozef Crook and get reacquainted with old friends from the east. To Scott Ellsworth [Shawna Starr] thank you so much for taking us on a walking tour of all your old haunts it made the trip very special being able to spend time with you.

Regina—To the Imperial Sovereign Court of Golden Sheaf Empire.

What can I say this is Regina and it is always one of the favorite coronations I attend each year.

Winnipeg—To the Imperial Sovereign Court of Winnipeg and All of Manitoba

This is one of my musts when I am traveling to or from Ontario and is a great way to start or end my yearly vacation.

I have been so blessed to have such a fantastic Upper House who has gone above and beyond to ensure this reign has been such a huge success.

My Empress— It has been an honour and pleasure to have you by my side throughout this journey. With your strong spirit and organizing skills you kept us all on track to complete a successful year.

At the beginning one of our goals was to reach out to the youth and other organizations in our community and by the turn out at our shows as well as meetings I know it has been achieve.

My Prince— I owe you and Walter so much. Davvid you have gone above and beyond any expectations I may have had and I am truly grateful. Thank you for your companionship on our travels, being my sounding board and helping me solve all the problems in the world LOL.

My Princess— Through this reign you have always been a person that we could rely on and were willing to jump in when things needed to be done. Thank you for being you and donating Chad's services to drive the truck pulling the float in the pride parade.

My Duke—I have watched you grow this year and I can not be prouder. You were very new to the court when I asked you to be my Duke, and you took on the role with a refreshing enthusiasm that was infectious and solidified my goal to bring more youth into our organization.

My Duchess—you are such an asset to the court. Your energy and ability to get things done is great. Your carpentry skills were a god send with the production show of Chicago as well as our pride float. It is amazing that you don't break a nail using all those power tools. Thank you so much.

To the Board—I want to thank each and every one of you for all the encouragement, guidance and support you have give me over the past year it has been invaluable.

To the Owners and Managers of Evolution Wonderlounge and Woody's Video Bar—I am sending out my heart felt thanks for the privilege of allowing us access to your venues to raise monies for our charities. I am also appreciative of your and Snug's generosity which has enabling us to enhance the Coronation experience for our guests.

To Edmonton—As there are too many people to thank separately I feel naming this great city is the only way to express my gratitude to Court members, Family and Friends your generosity and support you have shown Reign 40 and the ISCWR over the last year.

Last, but certainly not least – This year would not have been possible without the love and support my partner of 41 years, Denric Cats. You have kept me grounded and have always supported my decisions. I am so blessed to have you in my life.

I Remain Yours in Service,

Ms. Gay Edmonton XXVIII

Well let me start by introducing myself, I am PhiPhi Laru, Mz Gay Edmonton XXVIII. I had such an honour to have held this title, but to have also held the title with my mother (Ms Gay Edmonton XXVIII Sunny Daze). To have been able to share this with her has been a dream come true. This year has been one to remember, the differences with myself but also within the community, to be 21 years old and to have done what have done in my 21 years has been a true testament to whom I stand as a young adult. With every passing day I want people to remember me for me, not for someone who tries to fit in. I would like to say thank you to those who have believed in me since the day I started this journey, you all know who you are. I would like to thank my counter parts for the year we have had, and for what we have done within this year.

Yours truly
Mz Gay Edmonton XXVIII
PhiPhi Laru

Mr. Gay Edmonton XXVIII

Good evening all monarchs and out of town guests

From coming into this amazing organization over eleven years ago I have had the honour of holding the King of Hearts title and now I have held the Mr Gay Edmonton 28 title. It has been an amazing journey. When I first started out in this organization I was a drag queen named Clover Hard. I have come so far this past year. I am so very proud of my two amazing gay Edmontonians. They have guided me so much and yes even from time to time they have yelled and even smacked me across the head when I needed it. And you all know that I really needed it a lot. I just would like to take this time to thank the current reign for all their hard work. I would also like to welcome the new emperor and new empress. You will do us all proud!!!

Never give up, never surrender,
With lots of respect,
Mr. Gay Edmonton 28, Knight Ryder Luv

Mz. Gay Edmonton XXVIII

Hello Beautiful People,
I am Sunny Daze, Ms Gay Edmonton 28 of the ISCWR. It has been a whirlwind of a year, I had the honor and privilege to reign this year with some of the most amazing Kings and Queens, one being my son/drag queen, Phi Phi Laru. I was graced with the opportunity to walk by her side and create some incredible memories with her that I will cherish forever. She has been my fashion coach, make up artist and guide throughout this journey and I love her for her strength, courage and guidance. I have also been blessed with making lifelong friends with people I absolutely adore. I want to thank everyone for their support, encouragement and acceptance, it has meant the world to me. Congratulations to all who reigned this past year, you all have reached new heights, achieved lofty goals and out performed yourselves. I have loved being part of a community that was able to raise funds for such deserving groups and look forward to continuing my involvement for many years to come. I pray the Creator continues to shine in your hearts and lives and blesses each of you and your loved ones. Remember always that there is a Mama out here who loves and adores each and everyone of you. Be kind to one another, for this community should always be your safe place to live, love and celebrate all.

In Spirit and Sisterhood,

Your Sunny Daze,
